### 1997 Contributions

Total contributions for 1997 is **\$697,250**.

This amount was arrived at from checking the records of donors from Access, verifying that against Shyam's records, and then checking both of these against my hard file with copies of all donations. After reconciling all of these sources, I discovered some indiscrepancies.

Shyam's records put the total contributions for 1997 at \$697,431.58. There are two problems with this number. First of all, the entry for Tom Mattair's Health Insurance is not a contribution to the Council (\$166.58). Secondly, the amount \$250,000 was entered for Crown Prince Abdullah's contribution. The fact is, the Crown Prince wired this money to our Riggs account, and Riggs deducted a \$15 service charge. So the Crown Prince may have contributed \$250,000 to MEPC, but we received only \$249,985.

Therefore, by subtracting these two sums from Shyam's total, one arrives at the total of ( $\$697,431.58 - \$166.58 = \$697,265.00$ ; and  $\$697,265 - \$15 = \$697,250$ ) **\$697,250**.

The following table shows each countries percentage of 1997's total contributions.
